

Program

SAKK Semi-Annual Meeting 2017

November 23 & 24

Zurich Marriott Hotel
Neumühlequai 42, 8006 Zurich

We want the best possible cancer therapy.

WELCOME NOTE

Dear friends of SAKK, dear Madam or Sir, dear colleagues

It is our pleasure to invite you to the November semi-annual meeting of SAKK to be held at the Marriott Hotel in Zurich. Please find henceforth the program of the meeting, registration details and other general information.

New in the program is the first Post ESMO/EHA/ESTRO Symposium, presented by the Young Oncology Academy and chaired by Prof Miklos Pless, MD. Young oncologists of the SAKK network will present the latest research data from the three renowned scientific congresses ESMO, EHA and ESTRO.

For the second time, the SAKK Patient Advisory Board has organized an event for the public with speeches on the latest research topics adapted for patients, relatives and other interested persons. In November, the focus lays on Lymphomas. For further information, please consult the respective [flyer](#).

Furthermore, we draw your attention to the awards ceremony with the SAKK/Amgen Research Grant 2017, the SAKK/Astellas GU-Oncology Award 2017 and the GIST Award 2017.

We will again have two eventful days contributing to bring progress to cancer care and we look forward to welcoming you in Zurich.

Sincerely
SAKK Coordinating Center

Prof Roger von Moos, MD
President
